Airstrip is not permanently manned but is open to members and visitors, providing they have read the safety briefs and telephoned the PPR line.

PPR is essential from 01925 560522 First-time visiting pilots should ask for a telephone briefing.

Movements must be logged in the book kept in the clubhouse.

Runway has slight incline down from 23 threshold to midpoint, then up to 05 threshold. Surface may be undulating and coarse in places.

Pilots should be familiar with the advice given in CAA Safety Sense leaflet 12, "Strip Flying", and are advised to transmit intentions on new Safetycom 135.480 MHz.

We are in the low level corridor between Manchester and Liverpool so a good read of our website relevant to the corridor is a must. This has been arranged with Manchester ATC.
